***REQUEST FOR RECONSIDERATION OF CERTIFICATE OF CORRECTION UNDER
37 C.F.R § 1.323***

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Applicant requests reconsideration of the Requests for Certificates of Correction that were filed on March 25, 2008 and January 8, 2009, which were both dismissed. Applicant, with this request for reconsideration, is fulfilling the requirements for a request for a patent to be corrected to state the name of the assignee.

BACKGROUND

Applicant submitted a Request for a Certificate of Correction on March 25, 2008 to change the Assignee name and address shown on the face of U.S. Patent No. 7, 304,713 B2. The correction to add or change the assignee name was dismissed. Applicant filed a second Request for a Certificate of Correction, again to change the Assignee name and address but this time a check for \$100 was included. The second request was also dismissed. The USPTO stated that a petition was not filed to add the assignee under 37 CFR 3.81(b). It was further stated that requirements for a statement that the assignment was submitted for recordation before issuance of the patent, along with the processing fee of \$130 were also not fulfilled.

STATEMENT OF FACTS

A) Applicant is now submitting a Petition Under 37 CFR 3.81(b) for issuance of the patent in the name of the new assignee after payment of the issue fee.

B) Applicant is now submitting a Statement that the assignment was submitted for recordation before issuance of the patent along with a copy of the Patent Assignment Abstract of Title.

C) Applicant is resubmitting a Request for Certificate of Correction. A fee of \$100 set forth in 37 CFR 1.20(a) was previously submitted by check and date stamped as received by the USPTO on January 7, 2009; and

D) Applicant is now submitting the processing fee of \$130 set forth in 37 CFR 1.17(i).

It is respectfully requested, that if this Request for Reconsideration along with the Petition is granted, that the Certificates of Correction Branch will be notified that a Certificate of Correction may be issued based on the Certificate of Correction submitted herewith.

Any questions regarding this matter should be directed to the below signing attorney at the address and phone numbers below. The required fees are enclosed. Should the enclosed fee be insufficient or if no fee is enclosed, authorization is hereby given to debit counsel's deposit account 14-0112.

Respectfully submitted,

PETITION UNDER 37 CFR 3.81(b) FOR ISSUE OF PATENT TO ASSIGNEE

Commissioner for Patents
Office of Petitions
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Petitioner, through the undersigned attorney, hereby requests the issue of the patent to assignee under 37 CFR 3.81(b) after payment of the issue fee.

Failure to include the correct Assignee name on the PTOL-85B Form with payment of the Issue Fee was made inadvertently. When reviewing the attorney file, the second Notice of Recordation was missed and the information from the first Notice of Recordation was inadvertently placed in the PTOL-85B form.

A merger document was recorded as "Assignment: 2" on Reel/Frame 018991/0771 on March 8, 2007 from the assignor QUANTA DISPLAY INC. to the assignee AU OPTRONICS CORPORATION of Hsin-Chu, Taiwan, R.O.C. A copy of the Patent Assignment Abstract of Title is attached.

It is respectively requested that a Certificate of Correction Under 37 CFR 1.323 be granted for the above captioned U.S. patent no. 7,304,713 B2 to have section (73) on the face page of the patent corrected to read as follows:

AU Optronics Corporation
Hsin-Chu, Taiwan R.O.C.

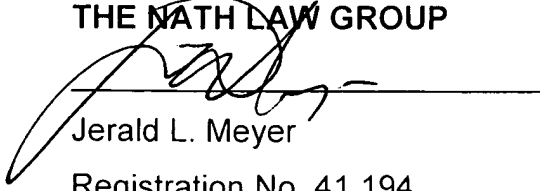

A resubmitted Certificate of Correction under 37 CFR 1.323 is attached showing the above correction. The **\$100 fee** for the Certificate of Corrections **was previously paid to the USPTO on January 7, 2009** and thus is not included with the resubmitted Certificate of Correction.

A processing fee of \$130.00 under 37 CFR 1.17(i) for this petition is included, with this petition.

It is respectfully requested, that if this with the Petition is granted, that the Certificates of Correction Branch will be notified that a Certificate of Correction may be issued based on the Certificate of Correction submitted herewith.
